Go all in to end cancer.

The Prouty

The Prouty is northern New England's largest family-friendly fundraising event combining cycling, walking, golf and more to raise funds and awareness for life-saving research and critical patient and family support services at Dartmouth Cancer Center.

Cancer touches everyone.

At the Dartmouth Cancer Center we are on the cutting-edge of research and we are leaders in compassionate, patient-centered care. In the United States, one in three men and one in two women will die of cancer. The Prouty and the Friends of the Dartmouth Cancer Center work to change those statistics to prevent cancer, cure the disease, and enhance survivorship.

Science saves lives.

At the Dartmouth Cancer Center, lives are being saved each day thanks to ground-breaking research and clinical trials. Cancer research is expensive, and The Prouty and the Friends help drive science forward here and around the world. Funds raised by The Prouty make vital research possible by providing seed-funding to researchers to make new discoveries, develop novel technologies to prevent cancer, and implement innovative cancer treatments.

We care for our communities.

As the only rural National Cancer Institute comprehensive Cancer Center in the country, Dartmouth Cancer Center provides exceptional patient and family support services to the communities we serve throughout the Northeast. Each year, The Prouty and the Friends help fund more than 27,000 instances of meaningful support services for patients and families – free of charge.
