## The Prouty

The Prouty™ began in 1982 when four NCCC nurses, inspired by the courage of their patient, Audrey Prouty, committed to cycling 100 miles through the White Mountains of New Hampshire. For more than 40 years, thousands of passionate individuals have come together to make a difference in the fight against cancer.

The Prouty is northern New England's largest family-friendly fundraising event combining cycling, walking, golf and more to raise funds and awareness for life-saving research and critical patient and family support services at Dartmouth Cancer Center.

### Cancer touches everyone.

At the Dartmouth Cancer Center we are on the cutting-edge of research and we are leaders in compassionate, patient-centered care. In the United States, one in three men and one in two women will die of cancer. The Prouty and the Friends of the Dartmouth Cancer Center work to change those statistics to prevent cancer, cure the disease, and enhance survivorship.

### Science saves lives.

At Dartmouth Cancer Center, lives are being saved each day thanks to ground-breaking research and clinical trials. Cancer research is expensive, and The Prouty and the Friends help drive science forward here and around the world. The Prouty makes vital research possible by providing seed-funding to innovative scientists who have dedicated their lives to discovering new and better ways to prevent cancer, and implement innovative cancer technologies.

### We care for our communities.

The Dartmouth Cancer Center is dedicated to the patients, families, and the communities we serve throughout New Hampshire and Vermont. Each year, The Prouty and the Friends help fund thousands of instances of meaningful support services that ease the journey of cancer patients and loved ones—free of charge.

### You make it happen.

More than 32,000 patients across New England receive care annually at the Dartmouth Cancer Center. By partnering with The Prouty, you are offering hope and care to patients and families who count on the Dartmouth Cancer Center to help them through the toughest challenges of their lives.

## Why sponsor The Prouty?

By sponsoring The Prouty, you support cutting-edge research for new treatments and cures. You help provide exceptional care and services for patients and their families. And you help Dartmouth Cancer Center get closer to ending cancer once and for all.

Join our Prouty community and receive many months of community engagement, corporate visibility, and recognition as a Dartmouth Cancer Center corporate partner while bringing hope to cancer patients in our community and beyond.

# Your Support Makes A Difference

## Who are the Friends of Dartmouth Cancer Center?

The Friends of Dartmouth Cancer Center is dedicated to raising funds to support the services provided by Dartmouth Cancer Center, a world-renowned cancer treatment and research facility integrated with Dartmouth College, The Geisel School of Medicine, and the Dartmouth Health System. We are Friends helping friends.

The Prouty is the Friends of Dartmouth Cancer Center's signature annual event.

## Why Dartmouth Cancer Center?

Dartmouth Cancer Center combines nationally award-winning patient-centered care with advanced research at 14 locations throughout New Hampshire and Vermont.

Dartmouth Cancer Center is one of only 56 centers in the country to earn the National Cancer Institute's highest designation as a Comprehensive Cancer Center. This designation means that patients at these centers receive superior care and enhanced access to life-changing clinical trials, research and treatments. Receiving care at an NCI-designated cancer center has been shown to increase long-term survival rates by up to 25 percent. Dartmouth Cancer Center is the only NCI-designated comprehensive cancer center in northern New England and one of only three in New England.

Dartmouth Cancer Center is proud to provide compassionate cancer care woven into the fabric of the communities we serve.

## Where Does the Money Go?

Our patients today and those to come are directly touched by Prouty-sponsored funding. The Prouty helps fuel innovative cancer research, funds education programs, provides equipment for research labs, improves access to clinical trials, and supports the expansion of the food pantry.

Funds also support our Complementary Care Program offers a variety of free programs that enhance the well-being of patients and caregivers throughout the cancer journey, such as massage, reiki, creative arts, support groups, and much more.
