

# Facebook Fundraising for Put Cancer on Ice

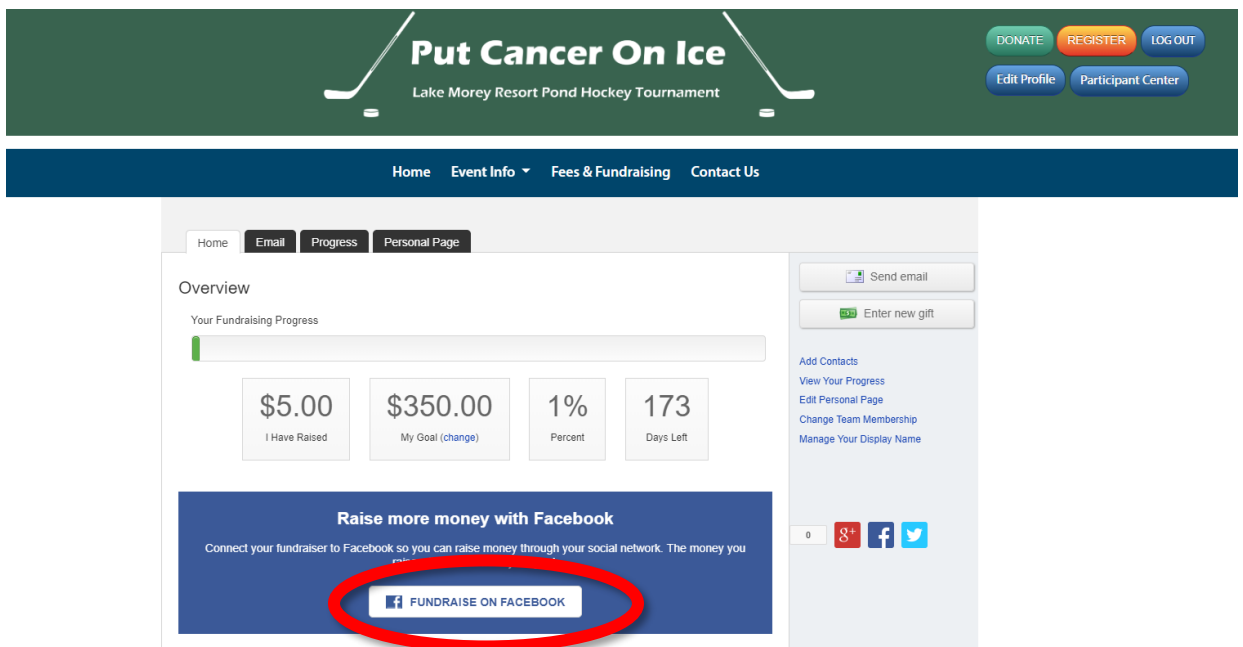

## How to start fundraising on Facebook

*\*\*Please have your team captain set up Facebook Fundraising and then each team member can re-share the fundraiser on their own Facebook pages! That way all the funding will go towards your team's fundraising minimum. \*\**

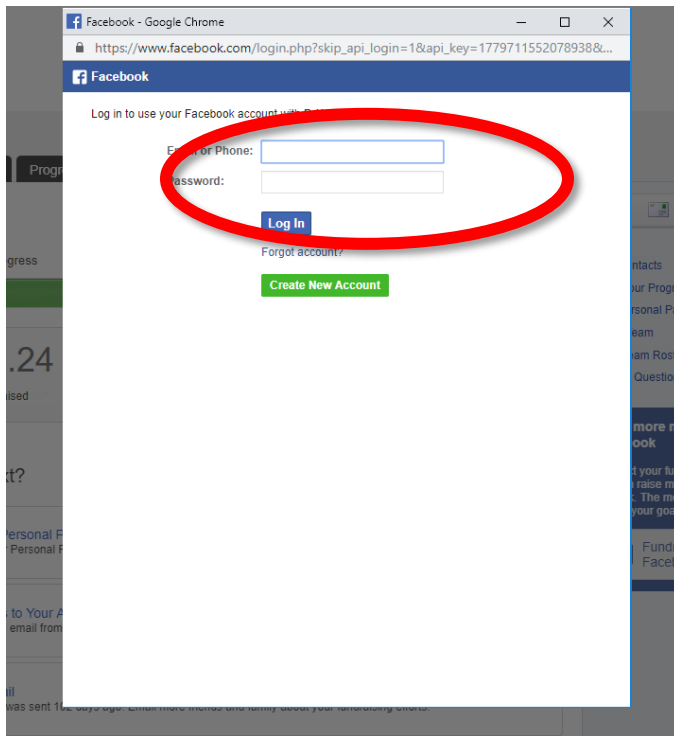

1. Go to [www.putcanceronice.org](http://www.putcanceronice.org) and log in to your account.
2. Click the button "Participant Center" at the top of the page.

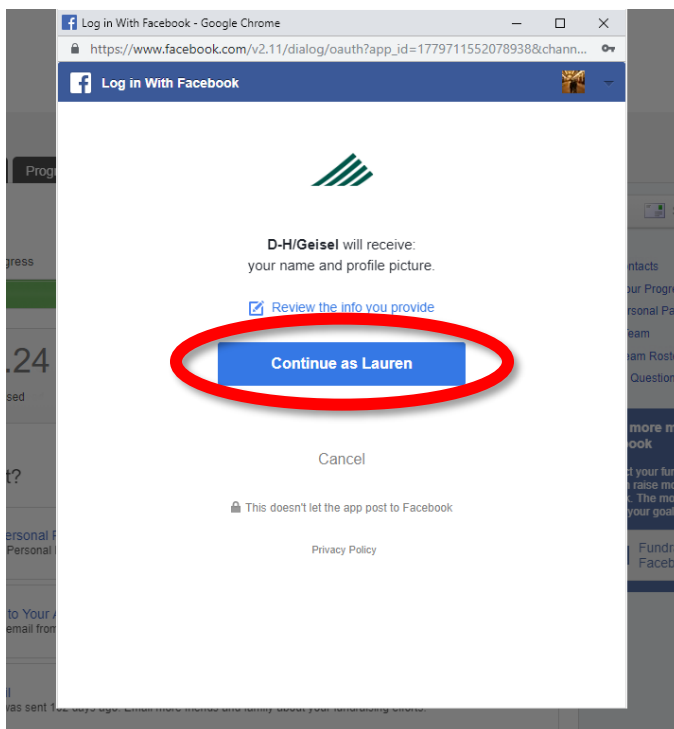

3. You should be on your home tab now. There is a blue box below your fundraising progress. Click the button "Fundraise on Facebook"

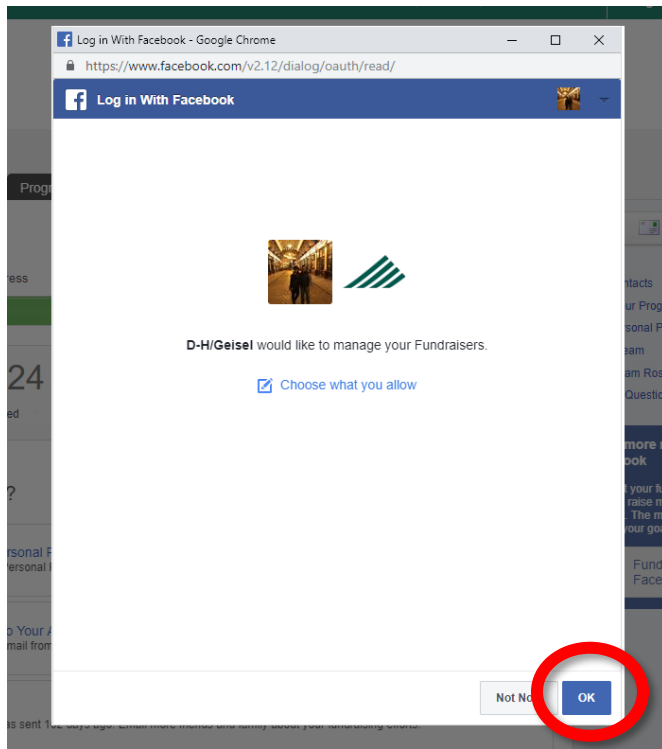

4. A screen will pop-up. Log in to your Facebook account here.

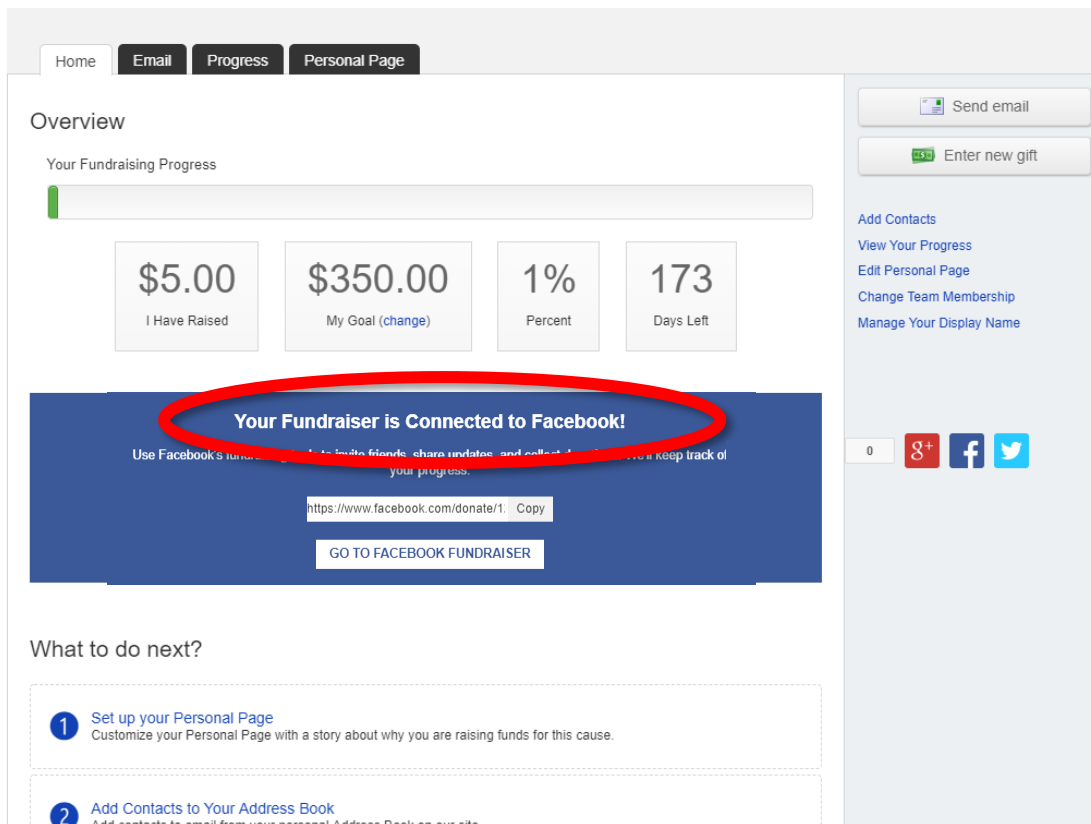

5. Continue to your account.

6. You will have to give D-H/Geisel approval to manager your fundraisers so that the Put Cancer on Ice online fundraising system syncs with the Facebook Fundraising system.

7. You will be taken back to your Participant Center. When you are connected the blue box will say, "Your Fundraiser is Connected to Facebook!"
