A Lot is .7 miles down the road on E Wheelock Street from the New Hampshire Hall. You must pick up a parking pass at registration to park in A Lot. If you would like a parking pass, the College is requiring us to collect the following information vehicle make, model, color and year, and the license plate # and state. You can email your vehicle information to [sarah.e.earnest@hitchcock.org](mailto:sarah.e.earnest@hitchcock.org) or please bring the information with you and complete a paper form at registration.

**Preferred Prouty Parking:** This year all Ultimates were offered a pass for one space on Saturday, July 9 in the parking lot of CRREL which is across from Richmond Middle School. This information was due by Friday, July 1. We are required to compile and send a list of drivers' names to CRREL security in advance of the event. There are stringent measures in place for CRREL parking and the driver of your vehicle can expect their driver's license to be scanned by a hand-held computer at the security gate. You will receive your parking pass via email if you provided us this information.

Additional parking is available at the Dewey Parking Lot on Saturday. Shuttle service will be available or you can ride to the Prouty venue at Richmond Middle School.

\*Masks will be required and available on shuttles.
