Friends of
Dartmouth
Cancer Center

Welcome Prouty Volunteer, we're so glad you're here.

The Prouty could not happen without the support of an incredible team of Volunteers. Each year, more than 750 volunteers help bring our event to life. Volunteers are expected to work hard and be responsible, but also to have fun! The Prouty is a celebration of our community coming together to make a difference and we want you to feel a part of it.

What is The Prouty?

The Prouty is northern New England's largest family-friendly fundraising event combining cycling, walking, rowing, golf and more to raise funds and awareness for life-saving research and critical patient and family support services at Dartmouth Cancer Center. Learn about the Prouty's impact at TheProuty.org.

The Prouty™ began in 1982 when four Cancer Center nurses, inspired by the courage of their patient, Audrey Prouty, committed to cycling 100 miles through the White Mountains of New Hampshire. Over the past 42 years, thousands of passionate people have come together to bike, walk, row, golf, and more to follow their example and go all in to end cancer.

Friends of Dartmouth Cancer Center

The Friends of Dartmouth Cancer Center is dedicated to raising funds to support the services provided by Dartmouth Cancer Center, a world-renowned cancer treatment and research facility affiliated with Dartmouth College, The Geisel School of Medicine, and the Dartmouth Health System. The Prouty is the Friends of Dartmouth Cancer Center's signature annual event.

Your Support Makes a Difference

SCIENCE SAVES LIVES

GROUNDBREAKING CANCER RESEARCH

Research is essential for any breakthroughs in the prevention, early detection, and treatment of cancer. It also takes a tremendous amount of resources. Funds raised by the Prouty community fuel vital research by providing seed-funding to innovative scientists who have dedicated their lives to discovering new and better ways to treat cancer and enhance survivorship.

On average, every \$1 the Prouty invests in research leads to \$12 in additional funding from other sources!

LIFE-SAVING CLINICAL TRIALS

Prouty funds also support the advancement of clinical trials at Dartmouth Cancer Center, with a goal of doubling clinical trial accruals in the next 3-4 years. We know that access to clinical trials can improve patient outcomes, and currently there are 160 open clinical trials at Dartmouth Cancer Center.

CARE BEYOND JUST CANCER TREATMENT

PATIENT AND FAMILY SUPPORT SERVICES

At Dartmouth Cancer Center, we don't treat a disease, we treat a whole person. It begins with state-of-the-art equipment and compassionate physicians, and continues

with exceptional patient and family support services. There's a reason our patients consistently rank us in the top 1% of regional cancer centers.

Each year, The Prouty helps fund thousands of instances of meaningful support services that ease the journey of cancer patients and loved ones—free of charge. These services go beyond what is offered in the hospital — things like massage, art and music therapy, support groups, transportation assistance, and more.

FOOD PANTRY FOR PATIENTS

Prouty funds also support the expansion of the new Dartmouth Cancer Center food pantry, benefiting patients with food insecurity. Heartbreakingly, 22% of our patients at Dartmouth Cancer Center are food-insecure, and The Prouty is helping to support these patients during their cancer journey because food is medicine. We know that expanding our food pantry will improve patient outcomes and reduce the stress experience by cancer patients.

None of these life-saving programs would be possible with the Prouty community. By supporting this year's Prouty and helping us reach our goal of \$8 million, you will help expand programs and care at Dartmouth Cancer Center. You will bring hope to cancer patients in our community and around the world. Thank you!

RESEARCH

Innovative pilot projects leverage The Prouty's initial philanthropic investment, bringing in an average of

12:1

additional national research funding.

SUPPORT SERVICES

Patient and Family Support Services are made possible by The Prouty and

offered to patients and their loved ones free of charge.

CLINICAL TRIALS

Dartmouth Cancer Center has made an investment of

\$1 million

of funds raised through The Prouty in their Clinical Trial Accrual Improvement Project, with a goal of doubling clinical trial accruals in the next few years.

FOOD PANTRY

Funds raised through The Prouty now support expansion of the new

Dartmouth Cancer Center Food Pantry

for patients in cancer treatment with food insecurity.

Prouty Volunteer FAQs

I have some extra time, can I work more than one shift?

We encourage volunteers to sign up for more than one shift if you're able (many participants also volunteer before or after their event!). The Prouty needs some helping hands the week leading up to, and a few days after the event during weekday hours. Volunteers who complete 10 hours or more of volunteer time throughout The 2024 Prouty will receive an invitation to the Volunteer Thank You Party on July 18, 2024, in Chilcott Auditorium at Dartmouth Hitchcock Medical Center, in Lebanon, NH.

Can children volunteer?

In order to volunteer independently, children must be age 14 or older and assignments will depend on the discretion of the Volunteer Coordinator. Younger volunteers must be accompanied by an adult and be able to work responsibly alongside the adult so that they don't need the full attention of the adult.

Can I fundraise as a volunteer?

Thank you! We would encourage you to sign up as a Prouty Virtual (do anything, any time, any where!) as well as a Volunteer. To register, visit TheProuty.org.

Will food be available?

Refreshments are provided for all volunteers.

What should I wear?

Most Prouty jobs are physical and may take place outside. Please dress in comfortable clothing appropriate for the weather (rain gear, if necessary) and suitable footwear (no flip-flops!). Please remember to be sun safe (sunscreen, sunglasses, and hats) and bring your own water bottle. All volunteers receive a Prouty Volunteer t-shirt.
